Mission Moment

Next Sunday, we will celebrate the ministries of the Native American members among us. Native American Ministries Sunday is also a time to affirm our commitment to being of one heart and mind as one United Methodist body of Christ as we focus on and work in partnership with Native American Ministries.

Our gifts on Native American Ministries Sunday support work with Native Americans in both rural and urban communities. Our gifts collected on this special Sunday provide seminary scholarships and training leaders to be in ministry with Native Americans many years into the future.

We celebrate the rich and vibrant contributions made by Native Americans to the United Methodist Church. We recognize the need for deeper and greater acts of reconciliation.

Next Week, On Native American Ministries Sunday, we celebrate our common faith, our common call, and the work these ministries accomplish.
