Mission Moment

When you hear “The Episcopal Fund” what comes to mind? Do you think.... That’s the church across town.... Or do you think *us*?

The Episcopal Fund is, in every way, about us!

“Episcopal” is derived from a New Testament Greek word which indicates someone who is an overseer of the Christian Church. This is the person who is charged with the duty of seeing that the work being done by others is done properly-and that is exactly what our bishops do as they shepherd the life and ministry of our congregations.

Today the bishops of The United Methodist Church are providing spiritual leadership to more than 12.4 million persons in a broad range of settings on four continents.

Our support, through our congregation’s faithful giving, is what makes the shepherding ministry of our bishops possible. It is how we are about to serve together as Christ’s body in the world.
