## Mission Moment

If you try to build a church, you will rarely get disciples.... But, if you make disciples, you will always get the church.

If The United Methodist Church were to reflect the ministry of Jesus into our life together, we'd be doing the same things He did.....Jesus disciplined those who would lead His church, He welcomed those who didn't know his Father, Jesus met the physical and spiritual needs of the poor and healed the sick.

The people of the United Methodist Church *ARE* engaging the world by imitating the ministry of Jesus..... And *The World Service Fund* makes our Christian outreach possible.

The UMC is building leaders, like Jesus did..... we are sharing His love with those who hunger for it...we are ministering among the poor and we reflect his healing touch as we battle disease and fight to improve global health..... All through *The World Service Fund*.

As we share God's love, across the country and around the world, *The World Service Fund* empowers The United Methodist Church to be Christ's body in the world.
