Mission Moment

In 2018, we celebrate our 50th year as The United Methodist Church. Fifty years ago, the Methodist Church and the Evangelical United Brethren Church merged, unifying the two denominations.

This union brought together a people of God committed to living the Wesleyan way of pursuing holiness of the heart. This Wesleyan call to holiness includes an inward movement of searching the Scripture and searching our hearts as an outward movement of ministry into the world.

The reach of The United Methodist Church is global. We have more than 300 missionaries in 60 plus countries. We are joining God's mission for the world to alleviate hunger and suffering, and respond to civil and natural disasters.

The General Board of Global Ministries equips and sends missionaries and volunteers to make disciples; to strengthen and renew developing congregations; advance hope and healing and seek justice.

As The United Methodist Church, we have had half a century of extending our reach as we live out our call of making disciples of Jesus Christ for the transformation of the world.

Together, we nurture Global Ministries by supporting our World Service Fund apportionments.
