## Mission Moment

Today, March 11, The United Methodist Church celebrates UMCOR Sunday, honoring the work of the United Methodist Committee on Relief.

UMCOR is the United Methodist Church at work in the world. UMCOR is prepared to provide training, assistance and long term support in response to disasters. UMCOR is equipped to assist in finding sustainability in communities that are in need of education, improved sanitation and sustainable agriculture. UMCOR is committed to improving global health by working against the spread of malaria and HIV and working for better maternal health.

As the people of God, The United Methodist Church seeks to do the work of God in our communities and in our world. With UMCOR, we are able to make an impact that transforms lives around the globe.

People displaced by flood, famine, earthquake or political conflicts are able to find home again. Generations of people have become free from preventable disease.

All of this.... is made possible by the people of The United Methodist Church who have been faithful in giving to UMCOR.
