Mission Moment

Imagine seeing your home swept away by floodwaters..... Or you barely escape a wildfire engulfing your community.... Or your family faced life or death choices finding land mines and explosives in their homes.

When a disaster overwhelms a community, **UMCOR** is one of the first agencies in....and the last out. As the humanitarian and relief arm of The United Methodist Church, **UMCOR** puts the beliefs of the church into action and makes a real difference in the world.

In 2017, UMCOR touched over 425 thousand lives in more than 30 countries through disaster response, humanitarian relief, sustainable development, and migration programs. This would not be possible without the generosity of those who give on **UMCOR Sunday** and throughout the year. **UMCOR** depends on strong partnerships with Methodist bodies internationally, along with aid organizations, internal relief agencies, communities and local nongovernment organizations worldwide.

Since 1940, **UMCOR** has rebuilt lives, homes and hope through our generous giving to help others.

Thank you for being part of this legacy and sharing God's love with people everywhere.
