Mission Moment

Did you know? In the past 5 years, more than \$13 million has been awarded in scholarships.

Did you know? The United Methodist Student loan fund reduces interest to 3.75%, making rates lower than federal student loans.

Did you know? The American Methodists established the first loan fund and first endowment for education in 1866.

Did you know? There are more than 2,300 scholarships awarded each year, 500 of which go to seminary students.

Today, our congregation has a unique opportunity to nurture and support young United Methodists on their educational and faith journeys.

We do this through our offering on **United Methodist Student Day**, a United Methodist churchwide Special Sunday.

Our gifts provide scholarships for students and help lighten their educational debt load.

Together, we're raising up Christian leaders!
