Mission Moment

The General Administration Fund is one of seven apportioned funds that each United Methodist church supports in order to further our connectional ministry. The General Administration Fund is used in very specific ways. It supports the behind-the-scenes work of providing oversight;..... it ensures our gifts are used for faithful ministry;..... it supports the maintaining of our United Methodist history and includes funding for General Conference and special commissions.

The General Administration Fund ensures that we, as a whole church, are rooted in our history, are held accountable fiscally and are maintaining our historical United Methodist identity even as we seek our way forward as The United Methodist Church. These functions hold The United Methodist Church to its professed beliefs with integrity..... locally and globally.

When we give to the General Administration Fund, we maintain our United Methodist identity in our mission of making disciples of Jesus Christ for the transformation of the world and continue to follow faithfully the right paths as the church of today.
