Mission Moment

If the United Methodist Church were to reflect the ministry of Jesus.... We would be doing the things He did...

Jesus disciplined those who would lead his church

He welcomed those who didn't know his Father, and those who did

Jesus met the physical and spiritual needs of the poor, and healed the sick

The people of The United Methodist Church are engaging the world by imitating the ministry of Jesus.

Leaders in Africa are being educated and are being prepared to minister in Jesus' name.

89 year old Rev. Jackson in Upper New York has started a house church in an extended care facility where he resides,

St. Paul's UMC in Kensington, MD has committed to making their zip code the first "Hunger Free" zone in America.

The *World Service Fund* is so very vital to the ministry of the UMC.... It is a way in which neighbor helps neighbor, and it helps Christians reach out all over the world. The *World Service Fund* is everything that defines our church. It is a way that we connect in our response to injustice, poverty, tragedy and need.

Sometimes the needs around us feel overwhelming and none of us can meet every one. But together, with the help of *The World Service Fund*, we are sharing God's love with the world.
