Mission Moment

The chorus is familiar: ***“Here I am Lord. Is it I, Lord? I have heard you calling in the night. I will go, Lord, if you lead me. I will hold your people in my heart,”***

Whether God’s call is like a thunder clap or a gentle nudge, the General Board of Higher Education and Ministry is present to guide United Methodists on their vocational journey.

The Board creates connections and provides resources to aid in recruitment, education, professional development and spiritual formation. Every elder, deacon and licensed local pastor benefits from the Board’s training and candidacy programs. Many young adults find help in clarifying their vocation and God’s call in their lives through Higher Education and Ministry’s leadership.

The gifts we offer through our **World Service Fund** apportionment, nurture leadership, education, and bring life and healing to all God’s children, both near and afar. This vital agency continues to help people- young and old- answer God’s call.
