

MISSION MOMENT

June 16, 2019

Today is Peace with Justice Sunday, one of six church-wide Special Sundays each year in The United Methodist Church. Your gifts support Peace with Justice ministries throughout the United States and around the world. It is administered globally by the General Board of Church and Society, and administered here in the Pen-Del Conference by Peace with Justice coordinator, Rev. Mary Browne of Ebenezer United Methodist Church in Newark.

An example of this work is in New Orleans, where homelessness is a major issue. The Women's Ministry of People's United Methodist Church offers practical assistance to low-income single mothers and homeless women by providing a place to do laundry free of charge in a safe atmosphere with a play area for their children. Thanks to a United Methodist Peace with Justice grant they are making a difference in the lives of these women and their children.

As the United Methodist Church, we dedicate ourselves to peace throughout the world, to the rule of justice and law among nations, and to individual freedom for all people of the world. One way to celebrate Peace with Justice Sunday is to give generously so that vital ministries within our own Conference can flourish. Thank you!
