Mission Moment

In 2018, Hurricane Florence caused catastrophic flooding in the Carolina's. One month later, Hurricane Michael hit Florida, Georgia,--- and the Carolina's again.

When disaster occurs-whether a hurricane, tornado, wildfire or other natural calamity- The ***United Methodist Committee on Relief*** is there to help people recover and put their lives back together.

Our response to disaster begins before events occur. Conference disaster coordinators are primary contacts in disaster readiness and response who have already been trained and supported--- and considered "boots on the ground".

As responders around the globe scramble to help survivors, the ***United Methodist Committee on Relief*** is prepared to act.

United Methodists are called upon to share the goodness of life with those who hurt. Our gifts to ***UMCOR Sunday*** lay the foundation to share God's love with communities in need everywhere. UMCOR keeps the promise that 100% of any gift to a specific project will go toward that project, not administrative costs.

Next Sunday, March 31st, is ***UMCOR Sunday***, one of six churchwide Special Sundays with offerings. Our gifts show faith and Christ's love to our neighbors facing some of the worst crises of their lives.
