Mission Moment

Together, we educate students so they can make a difference in the world.

Next Sunday, November 25th we celebrate **United Methodist Student Day**.

Across the country, the people of The United Methodist Church are serving the people God loves in Jesus' name. We are doing it at home, but so often we'd like to do more. We want to serve those in other places who are suffering and we want to offer spiritual words of hope and life.

The reality for most of us is that our responsibilities---- home, family, work, do not allow us to engage with every need we would like to meet.

Right now there are UMC young people---who might not have the resources to attend a school of their choice--- or, for some, any school at all.

When we support **United Methodist Student Day**, one of six churchwide Special Sundays with offerings, we make it possible for more students to serve the world God loves as they prepare for life, uniting faith with knowledge.

So although we cannot meet every need we would like to, our giving allows members of Christ's body to do it in Jesus' name.

What no one person or congregation can do alone, we are doing together.
