Mission Moment

Today, the first Sunday in October, is World Communion Sunday, one of six church wide Special Sundays with offerings.

Our generous offerings provide World Communion Scholarships, Ethnic Scholarships and Ethnic in Service Training. Today, we give generously to change the world, one United Methodist student at a time.

Talented learners of all races.... U.S. and international students find places all over the world to live out their calling. Where they go, The United Methodist Church goes as well.

Because of financial compassion provided through World Communion Sunday, promising students can access an education often assumed out of reach. World Communion Sunday delivers hope to many.

God created these World Communion Sunday scholarship recipients to become world changers, and we, with other Christians all around the world, from all kinds of denominations partake in the sacrament and remember our fellow Christians around the world.

One thing is common; we all come to the same table of the Lord.
